

Think Glocally!

How has God SHAPE'd you?

Why has God SHAPE'd you that way?

One primary reason...

Matthew 28:18-20; Luke 24:45-49; John 20:21

- God is sending us on a mission!
The heart of Jesus... Luke 19:10
The message of Jesus... The Gospel!
The messengers of Jesus... Christ followers! II Corinthians 5:20
The authority of Jesus... "all authority... I am with you always"
- That mission is glocal! Acts 1:8

Glocal... is that a misspelling?

- A term traced to the 1980's, it refers to thinking globally & acting locally.
 - It has it's applications in the business and political world as this planet "shrinks".
- For the Church, it finds it's application in each believer as we use our God given SHAPE to touch the world.
 - The world is coming to our door!
 - We can go to the world more easily now than in the past.
 - God gave us a unique **SHAPE**. to touch the world...
 - Spiritual gifts
 - H**ear
 - A**bilities
 - P**ersonality
 - E**xperiences
